

September Review

The NCBTMB Approved Provider Team anticipates an overwhelming number of initial and renewal applications through the end of 2007. We must therefore request that all applicants withhold any correspondence with the NCBTMB concerning their decision status until a decision letter has been mailed or e-mailed to you. If you have not received a written or electronic decision letter within 5 business days of the "**You Will Receive Notification By**" date, please send an e-mail to ce@ncbtmb.com.

Communications to our office by phone or e-mail prior to your decision letter will impede our efforts and slow down the approval process for everyone. The Approved Provider Team thanks you for your cooperation and patience while we try to process each application as efficiently and swiftly as possible.

Four Possible Decisions

- Approved** Approval status is granted for three (3) years. For initial applicants: all courses submitted that you have taught (that fit the NCBTMB guidelines for continuing education) will be retroactively accepted to award continuing education credit to NCBTMB certificants. This retroactive credit reflects the last two years from the date of approval.
- Approved Pending** Minor deficiencies exist in the application; once remedied by the applicant, the application is approved.
- Deferred** Greater deficiencies are present in the application; the applicant has sixty (60) days to respond and remedy these deficiencies. Failure to respond within the time frame will result in forfeiture of the fee and require re-submission on the part of the applicant. There are and will be no exceptions to this rule.
- Denied** Does not meet the NCBTMB's definition of a provider of continuing education for the field of massage therapy/bodywork. The provider may appeal the decision. (Read the appeal process below)

Appeal Process

Individuals or organizations may appeal the Continuing Education Committee's decision to defer or deny an application. Within sixty (60) days, a Letter of Appeal must reach the NCBTMB office showing reasonable cause for reconsideration. This is best done by addressing the committee's concerns – point by point – as described in the decision letter that the applicant received. Failure to respond within the time frame will result in forfeiture of the fee and require re-submission on the part of the applicant. There are and will be no exceptions to this rule.
